## **DEVELOPMENT & PEACE/CARITAS CANADA: HAITI NEEDS OUR HELP**

At 8:29 a.m. on Saturday August 14<sup>th</sup> a magnitude 7.2 earthquake struck Haiti's Tiburon Peninsula, about 150 km west of the capital, Port-au-Prince. By Monday, it was being reported that the death toll had crossed 1,300; that 13,600 homes were severely damaged; and that 800,000 people were directly affected. The victims were also bracing for a coming tropical storm.

Development & Peace's partners, ITECA and Caritas Haiti, swung into action, sending relief trucks and assessment teams to the affected areas. These are the very regions whose recovery you had generously supported after Hurricane Matthew in 2016. Now, our partners need your support once again to step up their relief efforts and to develop a sustained recovery program. You can give online at [www.devp.org/en](http://www.devp.org/en) or by sending a cheque to Development & Peace, 1425 Rene-Levesque Blvd. West, 3<sup>rd</sup> Floor, Montreal, QC, H3G 1T7. Thank you.
