Development & Peace/Caritas Canada: Fall Action Campaign - People & Planet First

While global leaders were meeting in the COP26 talks about how to tackle climate change, more & more activists are being threatened and killed for protecting the forests, waters & biodiversity that our people and planet are most in need of. The most vulnerable members of our human family are bearing the largest burden, dealing with the worst impacts of climate change and facing negative effects of ill-planned, top-down climate "solutions". **We want the obligation to prevent human rights violations to be legally binding.** Canadian companies will have to develop & implement human rights & environmental rights due diligence procedures for their entire supply & value chains and report on it. With due diligence legislation, if a company fails to undertake reasonable steps the victims of any harm will have access to remedy and meaningful consequences through Canadian courts. A petition is available on-line at devp.org/eng/campaign/people-planet-first/take-action or at the back of the church to hold Canadian companies working overseas accountable. As Pope Francis has said People and Planet first means "a different kind of economy: one that brings life not death: one that is inclusive and not exclusive, humane and not dehumanizing, one that cares for the environment and does not despoil it".

MONTHLY EUCHARISTIC ADORATION - INTENSIVE PRAYER (in person): The Matthew 7.7 Prayer Brigade, a prayer warriors group of the Office of the Filipino Ministry (<http://rcav.org/Filipino-Ministry>) invites all on **Sunday, November 28, 2:00-5:00 pm, at Our Lady of Mercy, 7455 10th Avenue, Burnaby.** Prayers are in English, and invitation is for all to unite ourselves in prayer and sacrifice for repentance, reverence for life and end to abortion, healing and reparation in the Church, and for the victims and the families of those who suffered from the Residential Schools of the past.

THE SOCIETY OF SAINT VINCENT DE PAUL is requesting donations of **gloves and toques** for the many homeless who are suffering through this wet cold weather. Due to Covid 19, could you please put your donation into a plastic bag before dropping it into the box which will be located at the back of the church following the weekend masses.

DRIVERS NEEDED - With Christmas fast approaching we, at Saint Vincent de Paul, are preparing for the annual Christmas bags for those in need in our community. Please call our help line at 604-520-0663 and leave your name and phone number if you are able to help deliver the Christmas bags on **Saturday, December 18, 2021 at 11:00 am.**
