**Stewardship Reflection - April 29 - 5th Sunday of Easter**

Jesus promises that we can do anything if we stay in constant communion with him. Stewardship is an expression of our intimate relationship with Christ. It is our faith in action. Stewardship makes our discipleship complete...and fruitful. Desiring to be good stewards of the Gospel message we have received inspires us to boldly profess the name of Jesus. We can hardly contain our joy at receiving this life changing gift. This is what motivates us to be agents of evangelization – to be stewards of the gift of faith. Take courage in your efforts to evangelize. It is through our fearless stewardship of the Good News that others may come to know Jesus. Moreover, the Father is glorified; and our discipleship is fruitful.
