The COVID-19 pandemic has impacted us in many ways here in Canada. In the Global South, the impacts are devastating, as the pandemic is worsening poverty, hunger, conflict and gender inequality. More than ever, your solidarity and generosity are needed to support the work of Development and Peace so we are all recovering together. Our partners are working for a just recovery in their countries so all can live in dignity.

If you would like to donate to this collection, please use an envelope from the back of the church.

Cheques have to be made out to Development and Peace. Please write your full information on the envelope for a tax credit. You can also make a donation at www.dev.org.

Your generosity allows Development and Peace to support over 100 projects in 35 countries in Africa, Asia, Latin America and the Middle East!

STEWARDSHIP REFLECTION: *The stone the builders rejected has become the corner stone...* - Matthew 21:42

Jesus was rejected by the religious and political leaders of his day, as well as ordinary citizens. Living a stewardship lifestyle may cause you to be “rejected” by others in today’s society. For example, saying grace before a meal in a restaurant may attract some strange looks from some. But to others it is sign that God is alive and well!
